

COMMEMORATIVE PERFINS

EXHIBITION OF PHOTOGRAPHY, LENINGRAD

The information about this perfin comes from Mr B. Pritt who provided the covers illustrated on the following two pages. (Illustrations produced by Brian Birch). In this case it is ENVELOPES and POSTCARDS with perforations and not the stamps.

The covers were issued and cancelled at an EXhibition of Photography, held in the Museum of Communications, and dedicated to the name of Popow in Leningrad. Mr Pritt says that all covers issued at this Exhibition were perforated with the same post horn emblem.
